

rumpu ilmu

where learning
never stops

HELLO...

rumput ilmu is an educational management consultancy, youth leadership development, camping provider, and corporate training provider. We specialize in providing professional development programs for corporations and schools, as well as for youth & student leadership development.

rumput ilmu's core team has passion in education with many years of experience and expertise in experiential learning development and execution for both adults and youths.

We try to understand your needs and adapt our services to them. Our individualized services are based on good research and practiced methods.

As **rumput ilmu** continues to grow, we have expanded our services to include character and life skills-building camps and programs for youngsters and parents. We are also developing a larger range of inspirational and motivational products for you and your establishments.

educational consultation

Turn your school into a supportive educational environment, where your educators and staff work as effective teams within a smoothly running administrative system. We can advise you in developing your school policies, regulations, and procedures in ways that benefit all of your stakeholders and create the right conditions for your institution to flourish. You can design and develop your entire school system with **rumpu^t ilmu**. We base our educational consultation on research as well as on your particular needs. Our foundations in strategic leadership and educational management give us the experience we need to provide consultation that actually helps.

We offer strategic plans in several areas, some of them are:

- ▶ **21st century education systems**
- ▶ **Faculty development**
- ▶ **School staff development**
- ▶ **School administrative systems**
- ▶ **Competency and skill development for students**
- ▶ **Student services and facilities**
- ▶ **Development of extra-curricular programs**
- ▶ **Student leadership and character education**
- ▶ **Curriculum assessment and development**

camping & outbound

rumput ilmu experience organizing and delivering professionally run camp & educational experiences for schools in Jakarta. Our specially designed programs can help primary & secondary schools deliver their goals for their students using the core competencies we have built.

Unlike many 'one size fits all' packages we tailor your package to your requirements. Our helpful & knowledgeable office staff make all the arrangements saving you over 50 hours of preparation time. We take care of:

- ▶ **Accommodation**
- ▶ **Catering**
- ▶ **Program**
- ▶ **Buses**

Like you, we believe camps provide valuable educational and life experiences for young people and this is why we delight in bringing our experience and expertise to create opportunities for young people at many locations throughout Indonesia.

The following products are 'ready to go' but will be fully personalized to meet your individual and curriculum needs.

- ▶ **Duke of Edinburgh's Award Adventurous Journey**
- ▶ **PE outdoor sports module**
- ▶ **Geography field trips**
- ▶ **Curriculum enhancement camps**
- ▶ **Adventurous activity camp**
- ▶ **First night away camps**

youth & student leadership development

For us at **rumpu**t ilmu, the development of youth into the leaders of tomorrow is our highest aim. On the journey to adulthood a young person must gain essential life skills and build their character. We help your organization empower youth to learn to meet their own personal and social needs and contribute positively to the community.

The outcome is something we want to see in all of our young people: a feeling of mastery and hope for the future, high self worth and self awareness, the ability to lead, a sense of structure, belonging, membership, and spirituality. We consult you in the proper way to foster such character in your students or youth community leaders as well as ways to help them build important life skills and to live with purpose.

We can help you create support, opportunities, and the quality education your young leaders deserve.

rumput ilmu can design, implement:

- ▶ **Life skills-based education curricula**
- ▶ **Character education programs**
- ▶ **Student leadership initiatives and departments**
- ▶ **Youth centered environments**

To enhance student and youth leadership at the school and community levels and guide young leaders in helping themselves and others. We also offer training workshops and programs for developing youth leaders.
